

RECYCLED SCHOOL UNIFORM

will be offered by Paradigm Apparel starting **9 November 2009**. Use of this service is optional, and is separate to purchase of new uniform.

Sale of Used Uniform to Paradigm Apparel

Used uniform is sold on a sale or return basis.

Only garments not in need of major repair and having no non-removable stains will be accepted. Used hats and caps will not be accepted.

On receipt, all garments will be washed and minor repairs done (buttons, seams) prior to being sold.

The school will benefit by a rebate from every sale.

Used uniform can be donated whereby the school also benefits receiving the selling price.

Selling price will be approximately 50% of the used purchase price.

Purchase price of "hardly worn" uniform can be negotiated.

The period that used uniform is held if not sold is yet to be determined.

Process for selling used uniform:-

Used uniform must be already laundered and can be left at uniform room Monday evenings or school office beginning 30 October 2009.

It must be in a bag labelled with name, phone number and room number, and should include the detailed price of each garment that you believe it could be purchased for (to the nearest dollar).

A receipt detailing all garments will be issued.

Donated garments must be clearly identified as such.

Any garments not meeting minimum standard, ie. not in need of major repair and having no non-removable stains, will be returned to the seller.

Upon sale of used uniform, the original seller will be paid the selling price.

Purchase of Used Uniform from Paradigm Apparel

Used uniform must be viewed before purchase – it cannot be ordered sight unseen.

Purchase price will be approximately 50% of the new price, with the exception of "hardly worn" uniform.

Process for purchasing used uniform:-

Used uniform will be stored in the uniform room and can be viewed there Monday evenings 5:15-6:15pm or by appointment, ph. 09-236 0199

Garments can be purchased using cash, EFTPOS, credit card or cheques made out to Paradigm Apparel.

Example of recycling of a used polar fleece (in acceptable condition):-

Selling price to Paradigm	\$9.50
Purchase price from Paradigm	\$19.00
