

A SPECIAL INVITATION FROM BOMBAY LIONS CLUB

Bombay Lions Club members offer a special invitation to you, your partner, family members and friends to attend a complimentary information evening 7.15pm Monday 15 March 2010 at Bombay Rugby Club Rooms.

Please take a moment to read and reflect on the value that service clubs like Lions offer to our communities and the well being of people and society in general. Lions clubs world wide are recognised for their humanitarian service. "Bombay Lions Club" supports both international and national Lions projects, but we are passionate about supporting our local community. Our projects help the youth and the elderly, the deaf and the blind, the physically and mentally disabled. We aim to serve and enrich the community we live in.

We are proud of our record and point to 25 year's local service. To projects such as our Scouts and Guides Hall, the conversion of Molly Proud's corner into a restful and well used communal park area. Our support of Bombay's own Anzac Day Service. Many wonderful years supporting Bombay Schools evolution through to the first class asset our children and grandchildren enjoy today. Our local youth development project. These projects form just part of our clubs history. We invite you to join us and be part of its future. It's not all hard work, it is valuable community service. The fun factor is never absent and the fellowship is a reward in itself. We stress that commitments to our families, businesses and employers are always placed ahead of Lions business or projects. However, we clearly want to draw on some of your spare time and creative energy.

Renewal for any organisation is a fact of life, Lions clubs are no exception. This will happen by growing our membership. Younger enthusiastic new members bring new energy and ideas that will help us do more for those who need our assistance. We look forward to meeting you at what should be a fun and informative evening. Attendance will be your opportunity to meet some of us, learn about how we operate, and to evaluate what membership of Bombay Lions Club can do for you.

If you are interested in becoming a Lions Club member, or would consider starting a new club in your own township but cannot attend our information evening, you are most welcome to attend any of our twice monthly meetings. 7.15pm at Bombay Rugby Club Rooms. Business meetings are second Monday of each month. Social meetings are fourth Monday of each month.

If you have any immediate queries, please do not hesitate to call Peter Abbott. ph: 2360661. Mob: 0274381566.
