EARLY ARRIVALS

There has been an increase in the number of children who are being dropped off at school before 8.00am. Parents are asked not to do this, as no staff are available to supervise. Children are not permitted to enter their rooms until their teacher is in the classroom. Your co-operation please. Supervision at school ends at 3.45pm when the last bus leaves.

SPORTS CLOTHES

Boys who play tackle rugby at lunchtime must bring a change of clothing. Our fields are very wet and muddy at present. Boys who get muddy wearing their school uniform may be punished if they have been playing rugby.

SAFETY OF FIVE YEAR OLDS

We have introduced some new procedures for 5 year olds at the end of the school day.

- Five year olds (**R4,5,14**) will collect their bags, clothing and bookbags from the cloakroom just before the bell goes at 2.50pm and return to the classroom.
- On fine days parents are asked to wait outside the front of the classroom to collect their children. Parents should only wait in the corridor if it is raining.
- Kids After School staff will collect 5 year olds and take them to the hall.

MATHLETICS For the past two years our school has trialled a web based interactive maths programme during maths week called Mathletics. The students have really enjoyed the programme and some have become highly motivated about maths and noticeable improvements made. The programme entitles the students to access at home at any time. As well it gives individualised feedback on how well they are doing and where to next. It covers Year 1-13 of the New Zealand mathematics curriculum using a series of interactive activities adapted to each student's learning ability. The cost for a one-year subscription is \$99 per child.

If you wish to subscribe to Mathletics please fill in the form below and send along the \$99. We will then arrange it through Mark Webster at 3P Learning (Mathletics). Visit www.mathletics.co.nz
