BOMBAY SCHOOL PHONE We apologise to those people who had difficulty contacting the school by phone during Monday and Tuesday. Unfortunately Telecom made an error with a request we made regarding our 2360850 number and left us with no service on that line. Every time that you use this number we are charged as the call is transferred to our new number **09 236 1012**. **From now on, please use the new number for all your calls to the school—doing this will save the school money. Thanks.**
