Projects for Yr 4–8 Non Animal Children

Students who do not have an animal for Calf Club must choose to do either a garden or project. If you are planning to do a garden, then plants must be planted within the next week. There are information sheets available for the Garden project from the office. The other project details have yet to be finalised. Watch this space!

We have a large selection and they are very healthy. \$50.00 each. Ph 0272534024

Chickens

We have ordered a total of 127 chickens for students who will be rearing them for Calf Club Day. These will be available for collection on Friday 4 September. All children need to complete an entry form for their chicken entry and pay for them, if they have not already. We will send a reminder notice out in the next few weeks advising the time and date of the 'Chicken Talk' that our judge Marion Grayson does for parents and children. This is a very informative time and parents who have not been involved with rearing chicken before are encouraged to attend.
