FROM THE GREEN TEAM Great news- we have become *self-sufficient* with our food scraps for the worms. This means that we are using our school scraps to feed the worms. So the children should be putting their food scraps in the worm buckets at school rather than bringing them home. If they are still bringing scraps home, now would be a good time for parents to help us educate the children - all food scraps go in the blue worm bins that are placed around the school at lunchtime. We will keep reminding them at assembly as well. The only things the worms don't like are any citrus and bread. Thanks everyone for your help with this. Our worms appreciate it!

We still have plenty of worm tea for sale. Word is out about how great it is as a fertiliser for the garden. The other good news is that the money from worm tea sales is going to be used to buy fruit trees for the school.

LOST We are having a large number of lost property being reported. Please ensure all uniform items are clearly labelled and regularly check your child has brought home the correct uniform. We have a huge pile of lost property in the hall foyer. Please either come in yourself, or ask your children to check through this pile before the end of term.

1 x School jumper size 10-12 labelled **Michelle**. Please return to room 3.
1 x School jumper clearly labelled **Danielle**, also has initials sewn in yellow cotton. Please return to room 10.

Found 1 x Black Not Guilty jacket size 5. Please collect from the office.
