A NOTE FROM YARD ART- SCARECROW COMPETITION

BOMBAY SCHOOL HAVE 1 ENTRY

Its been a real thrill to have the scarecrows coming in as the Ag & Pet Days progress and see the planning & work that has obviously gone into them. So far we have everything from Bridal to Kenworth scarecrows & anything but traditional. I hope it has been fun & motivating for the students talking about why scarecrows are made for the garden, spending time with parents & grandparents making them & perhaps inspired some planting along the way....?The scarecrows are all on show at YardArt & from November 1st have been tagged with the child's name, age & school. The public are being asked to make a choice during the month of November. Voting also puts the voter in the draw for a YardArt prize as this November we are celebrating our 5th birthday! So parents remind friends & family & be in the draw themselves for YardArt's birthday prizes as well, which include a Landscape consultation & lots of goodies! The scarecrow chosen with the most votes takes away with it a raised planter, Living Earth Garden Mix, Living Earth Mulch & some seeds. The votes close 30 November & the winner & the schools will be notified Wednesday 2 Dec & be announced in Franklin Life 9 Dec. YardArt is situated at Crown Rd, Paerata.
