FROM THE GREEN TEAM

The Green team have been working hard in their wonderful new home, with a new shed for the worms and also for our increasing amount of gardening equipment we have purchased. We have seedlings planted out for summer and have been eating our silver beet and cabbages.

We are looking ahead to the Christmas break and are looking for 3 families to kindly "babysit" one worm farm each for the holidays. All they need is the family food scraps and water. They will also need to have to worm tea drained off them which the families can use in their own gardens. We may even be able to arrange home delivery if we talk nicely to Mr Rob. See

Mrs Twomey if you would like to help us out.

CALF CLUB DAY REVIEW

This year's Calf Club Day was different from usual due to the RWC (yay, ABs won!) with a different date and shortened programme. Next year we will be back to normal and with an extra-special year being the 75th anniversary of Calf Club Day for Bombay School. With this in mind, Home and School invites feedback on Calf Club Day this year, and any ideas for creating a special 75th next year - please write comments and hand in to school office or email eric.diana.obrien@xtra.co.nz. No phone calls please!
