PGG WRIGHTSON FRANKLIN GROUP DAY - WEDNESDAY 26 OCTOBER

Entries this year are only \$3 per child—last day to enter **8 October**. Our school has previously won the two major trophies, one for the highest average points and one for the highest total points earned on the day. We would really like to be able to do this again but we need to have lots of entries for calves, goats and lambs to achieve this. It is a fun day for the kids and last year we had champion lamb and champion goat winners from Bombay school. Your child does not have to have won any ribbons on our day and with totally different judges from our Calf Club day a child may find that they do better at Group day than they did at our Calf Club day. Please enter early.
