

KOTUITUI CAMP PARENT HELPERS LETTER 1

Dear _____,

We are so grateful for your offers to attend camp with us, or transport children. We are looking forward to an action packed week of fun, adventure, challenge and lots of laughs.

Please see the form below and send back to school ASAP so we can continue our planning. The generous donation of Home and School and the fact that this camp was a little less expensive than others, has meant we can cover your accommodation and meals for the week. We couldn't do it without the donation of your time and energy (and vehicles and gas to get there and back!)

We will be holding a **Camp Meeting for parents attending on Thursday 1st November at 7.00pm in Kotuitui**. Parents transporting do not need to attend but can fill the form in below and send it back to us as soon as you can. Please let me know ASAP if you are unable to make this date. I will send out some things to consider via email, prior to this date.

Please find attached your health forms. Please return them with the form below.

Thanks,
Tracey, Sharron, Jeandri, Megan and Sarah
