

School payments online

We are excited to let you know that our Kindo online School shop is now linked to our school records, so you can view your family account! You will also have the ability to make part payments on your account, as well as continue to support fundraisers and school events, and ICAS exam payments are now available too.

It is our preferred method of payment for your child's school expenses, and we encourage you to set up your family account today.

It's easy, convenient, open 24/7 and available on our school website.
