

# BOMBAY SCHOOL CALF CLUB 2024

CALF CLUB NEWSLETTER #3

Term 3, Week 5, August 2024

One month to go until Calf Club!

The **Lamb, Goat and Calf Judging Talks** are happening this **Thursday 22 August at 2pm**. All welcome. There is a small change to the calling course for lambs this year that Mrs Perez will share at the talk.

**NEXT MUFTI DAY....** We have a mufti day coming up this Friday 23 August. Please bring **PACKAGED SWEETS** to go towards our grocery hampers for Calf Club Day.

(please ensure expiry dates are well after Oct 2024).

**RAFFLE TICKETS** – Awesome to see we have had so many raffle books returned already. Remember there is a great weekly prize up for grabs to children who return their raffle books. Keep it up and get more books from Mrs Wilson at the office. If you have not been able to sell your tickets, they need to be returned to the office. Thanks

**ROSTERS** – We will have the Online Roster for **Helpers on the Day** ready to go out soon. Each family will be expected to have a family representative donate at least one hour (more if you wish!) of their time on the day of Calf Club to help out on a stall. Depending on what stall you choose, duties may include, preparing food, manning stalls, serving/selling items, cleaning up or Supervision.

If we have already spoken to you about a stall and time slot you do not need to worry about the Online Roster, we have you booked already.

***Remember it will be on a "first in first served" basis.***

## CAN YOU HELP.....

We are looking for donations for use in Lucky Dips and for Prizes for the Fairground activities. If anyone has contacts for hats, sunglasses, Chocolate, small packets of sweets (branded or non-branded) , please get in touch.

**Save the Date - Friday 20 September.** We need helpers to join us in setting up animal rings, activities and stalls. Come to the field from 9am onward. If you can spare the day or just an hour, please just turn up - we will find a job for you. Many hands make light work.

Do you have any baskets, small wooden boxes etc that could be used to package up our raffles? Please drop into the office.

A huge SHOUT OUT to the following people. These are our coordinators this year. Without you we simply couldn't put on an event of this size. THANK YOU!

Entertainment & Fairground Activities	Maree Pollock, Kirsty McLean and Celeste Armstrong
