'Australian Schools' Competitions

These digital competitions are held by the University of New South Wales Education Testing Centre and compare the relative performance of students in each school year, in various curriculum areas.

Students who enter the competitions tend to be high achievers in the tested Curriculum areas, but the competitions are open to all who wish to enter.

If you wish your child to enter a competition, please complete the form below and return it to school with the total payment due. The last day for entries will be Monday 3 August.
