

Kotuitui Floral Day Entries for Calf Club 2022

Calf Club is being held on the first Saturday 24th September. On the Friday before this 23rd September we make floral and craft entries that are judged after school. All children's work is displayed in classrooms on the Saturday for everyone to see.

The following items will all be done at school -

- Miniature Garden
- Table centre piece

These will be judged by the criteria listed. Entries for Calf Club must be the child's effort made on floral day.

Miniature Garden - fantasy enchanted theme garden

Bring a named baking tray or tin foil oven dishes (rectangular shape is best).

Assortment of bark, stones, moss, plants and other natural materials to make a garden scene (all brought from home).

All sand/dirt needs to be covered. They may make objects to put in their garden at home or bring them. The gardens can only have three plastic objects.

Table Centre Piece

Children will create a table centre-piece using a variety of materials. The children will need to bring materials from home. Recycled materials and again only 3 store bought items from home. (No store bought flowers please)

Kind Regards,
Kotuitui Team
